

# NAVIGAATTORI

Job hunting today is not easy; the number of opportunities is decreasing while the number of job seekers is increasing. In order to succeed in job hunting, every detail matters. You don't have to go it alone – you can get tailored assistance for your job search from NAVIGAATTORI -the professional job coaching service.

In Navigaattori, no time is wasted – together we work quickly, efficiently and decisively toward your goal, whether it's a job, a study place, or even your own business. You'll have an experienced coach by your side, providing advice and tips to help you find the fastest route to employment. On average, participants in our coaching programs secure a job in just 4,2 coaching hours. You can access NAVIGAATTORI -job coaching through your city's employment services, and best of all - it is free to you.

## NAVIGAATTORI - WHY?

- ✓ You will receive a personal coach and their contacts to support your job search.
- ✓ No time is wasted – we work quickly, efficiently and decisively towards your goal.
- ✓ Your job application documents and skills will be updated to meet today's standards.
- ✓ If needed, you'll get advice and support for job interviews and remaining employed.
- ✓ Your coach can also assist your future employer, for example, with wage subsidy matters.

Still unsure, give us a call and ask for more information:
